## The FARMERS CORNER

by RALPH H. TAYLOR

Executive Secretary  
Agricultural Council  
of California

The statement is frequently made by the heads of "pressure groups," in seeking bigger relief appropriations, that "Relief and WPA have come to stay — and must be more adequately financed, instead of being maintained on a charity subsistence basis!"

So long as it is impossible for men and women to find work, who want work and would prefer work to charity, undoubtedly government must fill the gap with made-work or relief payments to keep them from want and hunger.

With that contention, no real American will quarrel. But the assumption that part of society must continue to support the rest of society in all the years to come, simply because the relief system has been found necessary during a period of economic chaos and emergency, is a defeatist attitude that is aggravating and prolonging the whole relief problem.

An illustration of where that indolent philosophy may lead was furnished a few days ago when a counselor in one of California's leading universities sought to find out from some one of his students what profession, business, or trade he wished to prepare for. "Are you interested in medicine?" the counselor asked. "No," responded the boy, "doctors have to work day and night; they have no time to call their own." The counselor tried again: "Would you like to be a lawyer?" But the youth rejected the law, too, stating that "Lawyers usually starve to death for years before they are able to build up a practice." After trying to interest the boy in several other occupations without avail, the slightly exasperated counselor asked: "Well, just what would you like to be?" And the student, after pondering the question at some length, replied: "To tell the truth, I'd like to be one of the unemployed!"

An extreme case, perhaps. But it is typical of the: "I'm licked—why bother?" attitude that is rapidly undermining American habits of thrift and industry which have made this nation most progressive, self-reliant and prosperous on the face of the globe.

Another illuminating sidelight on the relief question was furnished last week in The People's World, Communist daily newspaper, carried a front-page condemnation of the State Relief Administration because it required persons on the relief roll in Santa Barbara County to accept farm work in lieu of government bounty.

Said The People's World: "Santa Barbara County unemployed are cut off the relief rolls to be forced labor in the pea fields, modeled after the German Nazi forced labor program."

Just what connection Mr. Hitler has with the fact that California unemployed were induced to work, instead of continuing as objects of charity, will not be apparent to most Californians.

But The People's World probably revealed the real source of irritation when it pointed out that the men could get more (from the government) doing nothing than they could picking peas on Santa Barbara county farms. The article continued: "The pea field wages were 25 cents a hamper to begin with and were raised to 30 cents a hamper after protests, but this is still far below wage scales in other areas and requires additional funds, being given now by the SRA in order to bring the workers' pay up to the relief scale they would be eligible for under SRA."

In other words, being on relief has become more attractive than being employed in private industry — yet private industry, of course, pays the upkeep for relief!

California legislators, when they consider the relief question, need to consider it with their eyes open. There are radical groups in California, such as The Workers Alliance, that are militantly promoting the idea that the government owes every man a living. And if he can lobby the Legislature and get a better living for not working, than he can get on a farm, or in an office, for honest labor, then by all means he shouldn't work. That is the "new philosophy," but it is the most reprehensible and dangerous philosophy that could be inflicted on the American people.

## In the Nick of Time

This unposed picture eloquently tells happiness of Milton Madigan, 12, who arrived at the Chicago dog pound just in time to rescue his beloved "Jinks" from death. City made cleanup of streets in which hundreds of dogs were taken to the pound and eliminated.

## SOFTBALL WILL START MONDAY

Parade In Business  
District To Inaugurate  
Season Of Play

The El Dorado County Softball League will get under way on Monday evening, May 15, according to an announcement today by Louis Neil, secretary of the league. A total of eighteen teams will participate in this year's schedule consisting of four girls' teams, six men's teams in the Fraternal Division, and eight men's teams in the Unlimited Division.

The plans for the opening night will include a street parade starting from the Ivy House promptly at 7:00 p. m. preceded by the high school band under the direction of Charles Ball, the opening ceremonies at the Marcus P. Bennett Park, and the distribution of the schedules for the first round of play. Under the schedule planned for this year, each team will have an opportunity to play every week until the final week in which all the games will be played by teams in the unlimited division. This will allow all teams in the league to complete the first round of play at the same time.

In place of the fifty-cent season ticket which was sold to the general public last year, a new plan is presented this season. A one-dollar ticket to the general public providing for twelve admissions is being offered. These tickets may be obtained at the El Dorado County Chamber of Commerce, at the P. G. & E. office, and from L. J. Anderson.

The teams entered in the three divisions of the league are:

Fraternal division—Pacific Service Employees, Foresters of America, Forest Service, Camino 49ers, State Relief Administration, and Smith Flat;

Unlimited division, Placerville Motor Parts, Camino Lumberjacks, Placerville News Company, Round Tent, Mac's Fountain, Snowline CCC Camp, Mother Lodgers of El Dorado; and Diamond Springs;

Women's division, Placerville, Diamond Springs, Camino, and Legionettes.

## BEN ALI BAND, CHANTERS IN PUBLIC CONCERT THURSDAY NIGHT

SACRAMENTO—Ben Ali Temple of the Mystic Shrine will present its band and Chanters in a public concert in the Sacramento Junior College Auditorium Thursday, May 11, at 8:15 p. m. There will be no admission charge.

Kenneth Field, outstanding American operatic tenor, will be the guest soloist, making his Pacific coast debut.

The program will include standard overtures, combined instrumental and vocal numbers, and novelties. The 55 piece band will be under the direction of Robert N. Fenton. Clifford A. Mott will lead the Chanters, consisting of 22 voices. Field, whose career has included appearances throughout the United States and Europe, will sing five numbers. He will open with E. Lucrevia Le Stele, an aria from Tosca. During the concert he will sing O Sole Mio, Thank God for a Garden, Spirit Flower, and Lord's Prayer.

The Methodist Women's Home Missionary Society of the Federated Church will meet on Friday afternoon of this week at the home of Mrs. W. P. Fasset, at Camino. The meeting is expected to convene at 2 o'clock.

## WATER BOARD NAMES AIDE

Walter E. Jenkinson  
Resigns P. F. G. A. Post  
To Accept Appointment

Walter E. Jenkinson, for eleven years statistician and paymaster for the Placerville Fruit Growers' Association, was named Tuesday morning by the board of directors of El Dorado Irrigation district to be their secretary-manager.

Mr. Jenkinson immediately resigned from his position with the fruit association to accept the new appointment. He was able to arrange to do this owing to the necessity in the water district of having a manager in charge immediately, in connection with the preparations being made for the start of another irrigation season.

The new secretary-manager succeeds the late P. N. Hosking. Prior to becoming identified with the fruit growers association, Mr. Jenkinson had been employed by a number of other firms in positions which provided him with experience fitting him for the position he has recently accepted.

His earlier assignments included work with the Western States Gas & Electric Company and before that with the Byllesby Engineering Company, with offices at Chicago. He also formerly was employed by the California-Oregon Power Company and was for five years in the engineering offices of the Goldfield Consolidated Mines, at Goldfield, Nevada.

## DeMolays Will Initiate Four

Meeting Follows Lodge  
Session Thursday; Duden  
Receives Award Monday

A meeting of El Dorado Chapter, Order of De Molay, will be held at the Masonic hall Thursday evening following the regular meeting of El Dorado Lodge No. 26, F. & A. M., at which the De Molay will confer the initiatory degree upon four candidates.

The occasion has been arranged in the nature of a demonstration to the Masonic members of the work of the De Molay degree team.

Another highlight of current activities in the chapter will be the meeting on Monday night, during which the Chevalier degree, recently awarded Harold Duden by the Grand Council of the order "for distinguished De Molay labor" will be presented by Frank N. Killam, council deputy for district four, of Sacramento.

This degree will be presented at an open meeting of the chapter to be called at eight o'clock. The chapter will meet regularly early in the evening.

Members of the chapter attended the annual state convention of the order at Stockton last weekend. Joe Ronzone and Kenneth Heffren were delegates. Others of the chapter who attended included Edward Sayers, Arthur Hackwood, George Smith, Elwyn Scheiber, Dave Juster, Harold Duden, Robert Veercamp, Drew Rossi, James Pierson, Robert Woodward and Duane King.

The 1940 association officers elected are Walter Bailey, of Berkeley, master counselor; Russell Cline, of San Luis Obispo, senior counselor; Kenneth Jones, of Sacramento, junior counselor; and Jack Maigner, of Berkeley, scribe-treasurer.

## GEORGE CARPENTER FOUND DEAD TUESDAY NEAR MOSQUITO

Coroner A. J. Orelli received a telephone call shortly after 3 o'clock this afternoon from Allen Swansborough, at Mosquito, announcing that George Carpenter, of Placerville, had been found dead, apparently of a heart attack.

It is reported that Mr. Carpenter was a native of the Mosquito section, aged 65 years. Although a carpenter by trade, he had engaged in prospecting for a number of years and it is presumed this was the purpose of his visit to One-Eye Canyon, near Mosquito, where his body was found.

He was a brother of Dave, Fred and Robert Carpenter, of this city, and the uncle of Robert Carpenter, Jr.

## POWER RATES TO BE CUT

\$2,000,000 Slash Is  
Ordered By Railroad  
Commission After July 1

SAN FRANCISCO (UP) — The household budget of California consumers will be saved approximately \$3,200,000 annually through reduced rates which the Pacific Gas & Electric Co. will put into effect within the next three months. President Ray C. Wakefield of the State Railroad Commission announced today.

New electric rates saving \$2,000,000 annually will be put into effect after July 1, while gas rates will be cut \$1,000,000 a year effective August 1, under terms of a schedule to be posted June 1.

Nearly every city between Bakersfield and Eureka will benefit from the cuts, Wakefield said. They followed three separate investigations by the commission.

Specific rates will be announced as soon as members of the commission's staff have established an equitable distribution of the savings, he declared.

Wakefield pointed out that the P. G. & E. has reduced its rates by \$14,900,000 since 1936.

One of the chief aims of the commission is to establish an equitable rate between municipalities and residential districts outside city limits, he added.

## INQUEST TONIGHT IN DEATH OF MAN AT GEORGETOWN

Preparing for an inquest at seven o'clock tonight at the courthouse into the death of James Harold Rogers, 33, found dead Sunday morning near Georgetown, Coroner A. J. Orelli said today noon that he does not suspect that Rogers' death is connected in any way with his having taken part in a fight Saturday evening.

The doctor's examination failed to disclose any bruise on the skull which would have been likely to cause a cerebral hemorrhage, from which Rogers died, the coroner said.

"Of course, the doctor said that a blow on the jaw might cause a cerebral hemorrhage," Orelli said, "but he also said that such a blow would have to be strong enough to knock a man unconscious, and there appears to be no evidence that Rogers was hit that hard."

Sheriff George M. Smith said that Deputy Ralph Jones was at the scene shortly after the body was found Sunday morning and that a thorough investigation had been made and that the findings of the investigation are substantiated by the conclusions of the autopsy surgeon.

"However," Coroner Orelli said, "we will go completely into the case at the inquest and the jury will then render whatever verdict it finds is warranted."

The body of Rogers was removed to Sacramento Tuesday morning for funeral services and interment in the care of the Andrews & Grelich chapel.

## Coach Brown Speaker At Church Men's Club

L. A. Brown, of the high school faculty, will lead the discussion period at the meeting of the Men's Club of the Federated Church, which will be held at 6:30 o'clock Wednesday evening at dinner at the church parlors.

Mr. Brown will present a paper on "Economics," following which the usual round tables will be held. The dinner, as usual, will be served by ladies of the church.

## POSTMASTER JOS. SCHERRER SUMMONED MONDAY EVENING

Last Rites Will Be Held Thursday Morning  
At Ten O'Clock From St. Patrick's Church;  
Burial By Native Sons At Union Cemetery

The flag, flying at half-staff at the Placerville postoffice on Tuesday morning, gave public notice of the passing on Monday evening of Postmaster Joseph Scherrer, for more than fifty years a leader in civic and fraternal life in this county.

Mr. Scherrer succumbed about nine o'clock in the evening at his home on Coloma Street, where he had been confined to his bed for the past two weeks following a serious turn in an illness for which he had been treating for some time previously.

The funeral services will be held on Thursday morning at ten o'clock from St. Patrick's Church. Following the service at the church the cortege will move to Union Cemetery where rites at the graveside will be conducted under the auspices of Placerville Parlor No. 9, Native Sons of the Golden West.

Mr. Scherrer was a past president of Placerville Parlor. He also was a past president of the parlor of Native Sons at Georgetown and had served as a district deputy grand president.

In addition, he was a member of Placerville Aerie No. 889, Fraternal Order of Eagles, and a Past Worthy President and past grand trustee of the order. He also was a member of the Placerville Den of Lions.

In addition to his interest in fraternal and civic affairs, Mr. Scherrer had demonstrated for many years an active interest in state and local political affairs, and for several years was a member of the Democratic County Central Committee.

Serving Placerville for two different terms as its postmaster, Mr. Scherrer was ever attentive to the public interest and actively participated in efforts to provide a maximum of service for the patrons of the office.

During his recent incumbency, he had rendered every possible assistance in behalf of obtaining a new postoffice building for the community and although he did not live to see the new building become a reality, it was a satisfaction to him to know that the site for the structure had been acquired and preliminary work for the erection of the building undertaken.

Joseph Scherrer was born at San Luis Obispo on July 22, 1871. In his early life, his parents moved to (Continued on page 3)

## Carl R. Gray Found Dead

Former President Of  
Union Pacific Victim  
Of Heart Ailment

WASHINGTON (UP) — Carl R. Gray, former president and vice-chairman of the Union Pacific railroad, was found dead in his bed at a Washington hotel today. Death was attributed to heart disease.

Gray, 71 years old, had been vice-chairman of the road since his retirement as president because of age. He was senior member and spokesman for President Roosevelt's management-labor committee of six.

The hotel where Gray was staying said he had dinner with a son, Carl Jr., last night. The son was said to be enroute to Chicago unaware of his father's death. Another son, Russell D. Gray, was summoned when the death was discovered.

Gray was one of the nation's most prominent rail executives

## WATER USERS TO MEET WITH ATTORNEY ON WEDNESDAY

According to Jamse A. Irving, president of the county Farm Bureau Mr. I. H. Pfaffenberger, attorney for the California Farm Bureau Federation, will be in Placerville Wednesday enroute to Georgetown to attend the hearing before the state railroad commission there relative to the Georgetown Divide Water Company.

Mr. Pfaffenberger's assistance to the users of the district is provided by the state farm bureau in behalf of its members. In the interest of completing the details of presenting the case to the railroad commission, Mr. Pfaffenberger has arranged to meet with any users of the district who are concerned, at the office of the Farm Advisor, at 7:30 o'clock Wednesday evening.

Mr. Pfaffenberger is appearing in the stead of J. J. Deuel, chairman of the state farm bureau law and utilities department, who is ill and unable to attend.

## Church Board Re-Elected

Jespersen Continues  
Another Term As  
Committee President

At a recent meeting of the Board of Control of the Federated Church officers of the board were re-elected for another term.

The officers are Harry Jespersen, president; Mrs. Martin Luther, vice-president; J. W. Caswell, secretary; and Harold Duden, Treasurer.

The chairman has appointed the finance committee which served during the past year to serve again during the next year. Merle Thomas is the chairman of this committee and is assisted by Mr. Jespersen, Frank K. Romberg, Charles G. Price, Mrs. Luther, and Charles Schaeppi.

## Tioga Pass Opened To Travel On Monday

YOSEMITE NATIONAL PARK—The scenic Tioga Road crossing the Sierra-Nevada in Yosemite National Park was open on Monday, according to announcement of Lawrence C. Merriam, Park Superintendent.

From Tioga Pass west for 12 miles there is a new modern highway, thence for 20 miles the route is narrow and winding but well oiled, leaving only about 14 miles of dirt road to Aspen Valley Ranger Station. Due to sharp turns and several steep grades, this road is not recommended for use by house trailers.

## BIG GAME HUNTING FILMS TO BE SHOWN FOR ROD, GUN CLUB

The program at the annual dinner of the Rod and Gun Club, to be held Friday evening at 6:30 at Hotel Raffles, will have as a special feature the showing of several reels of motion pictures concerning big game hunting in Canada.

According to members of the club, the pictures have been shown before sportsmen's organizations in other communities and have been voted especially good. The pictures were taken by A. H. Hilbert, of Sacramento, during a hunting trip last fall.

Paul Kevin, of the San Francisco forest headquarters, was on Eldorado Forest Tuesday.

## HOW IT BEGAN

By Paul F. Berdner

"Cookie" is at it again. In the qualifying round of the Placerville Golf Club championship, Ronard let go on his second nine for a 35, one under par. The first nine of 40 was not so hot, but his putter wouldn't behave. His 75 leads in the qualifying round with Leo Barrett, Ed. Cook and J. C. Wilson yet to get started.

Bob Patterson did himself pretty well with a fine 77. Pete Peterson came up with 78 and missed a number of putts.

The "Class of 82" has four members. Dana Murdock, Bob Roberts, Bron Smith and Bert Meacham. Phil Reeg, Dr. Bryan and Pal Killian are the 84s. Several others are still to qualify.

The first round of match play will be next Sunday.

## MOSQUITO CCC CAMP TO MOVE WEDNESDAY TO CALDOR

On May 10, 185 CCC enrollees will bid goodbye to Camp Mosquito, near Placerville, which has been their home for the past seven months, and move to Camp Caldor to begin summer work on blister rust control projects, according to a statement just issued by District Ranger G. B. Young.

Camp Caldor is located in the Southwest part of the Eldorado National Forest, in one of the richest timber sections in the state. Much good work has already been done by the CCC in this area during the past two seasons, the camp being first occupied in the summer of 1937.

Army activities will be headed by Captain Don B. Kates, and project work in charge of Graeme D. Thorne, Forest Service superintendent, both of Placerville.

Mr. and Mrs. Walter Trainor and daughter, Sandra, were up from Sacramento to spend the weekend with Mrs. Trainor's parents, Mr. and Mrs. Charles J. Rupley.

Among those who were present were Connie Taylor, Frances Stinger, Jean Shore, Barbara Shore, Norma Kelly, Frances Delaney, Eddis Howe, Virginia Rhodes, Wanda Green, Betsy Anderson, Marie Watts, Helen Bathurst and the hostess, Madelyn Bathurst.

## Hospital Superintendency Examination On June 8

SACRAMENTO—In order to fill an administrative vacancy in a state hospital, an examination for Medical Director and Superintendent, Mental Hospital, will be held June 8. Louis J. Kroeger, executive officer of the state personnel board, announced today that examinations for this position will be held in Sacramento, San Francisco, Los Angeles, San Diego, Fresno, Eureka and such state institutions as the number and location of applicants warrant.

The position, which pays \$340 a month and maintenance for self and family, offers an excellent opportunity to conduct extensive psychiatric research. Bulletins outlining the examination and application forms can be obtained from the Los Angeles, San Francisco or Sacramento offices of the state personnel board. Applications should be filed by June 1.

## Jos. Scherrer Is Called

(Continued from page one)

Oakland where the deceased attended school and while he was yet a young man the family moved to Georgetown in 1887.

In the North Side community, Mr. Scherrer engaged in ranching and mining. In fraternal life he became a member and past president of the parlor of Native Sons at Georgetown. Later, in public life, he served as constable in Georgetown and also as a deputy sheriff.

He moved to Placerville about 1902 and he and Mrs. Anna Scherrer, nee Ward, were married in 1905. Mr. Scherrer became identified with the firm of McKee & Carr in the Placerville Hardware store and in 1913 left that firm to accept the Placerville Postmastership, serving in the office for a term of approximately ten years.

Upon leaving that post in 1923, he entered the stationary business in a store in the O'Donnell building and operated that business for almost twelve years, when he was again appointed Postmaster, taking office on March 1, 1935.

For more than four years he had devoted his attention to the improvement of the service and facilities of the postoffice in Placerville.

Although for some weeks past Mr. Scherrer's health had made it impossible for him to spend a full day at the office he continued to visit the office daily to attend to such matters as required his personal attention until about two weeks ago when the increasing seriousness of his illness confined him to bed.

Mr. Scherrer's many friends throughout the county and else-

He is survived by his wife, Mrs. Anna Scherrer; by two daughters, Miss Eleanor Scherrer, of Placerville, and Mrs. Del Thomas, of Camino; and one grand-daughter, Joanne Thomas, of Camino.

In addition, Mr. Scherrer is survived by two sisters, Miss Alice Scherrer, of San Francisco; and Mrs. Margaret Bathurst, of Sacramento; and by three brothers, Julius Scherrer, a guard at Folsom Prison; and Frank and John Scherrer, of Placerville.

## POLLOCK PINES NOTES

The following was received last week, too late for publication:

Mr. and Mrs. Walter Lucas, of Woodlake, spent Sunday with their daughter and her husband, Mr. and Mrs. Moree Fox, of this place. Mrs. Fox's sister, Mrs. Stanford Blane, also spent Sunday with them.

The last regular meeting of the P. T. A. for the year was held last Friday at the schoolhouse, presided over by the president, Mrs. Don Morgan. A long program was enjoyed by the gathering. A "Major Bowes" program was the highlight with Prof. Reese acting as master of ceremonies. Refreshments were served.

A coating of eight inches of gravel has been applied to the hill on Oak Street. Ralph Burghart hauled the gravel under the direction of H. R. Pollock.

The ladies of the community have formed a social club and meet every other Wednesday. The last meeting was at the home of Mrs. John Gemmet with twenty members present. The afternoon was spent at work on a quilt after which refreshments were served. The meeting of May 12 will be at the home of Mrs. Frances Morgan.

William Hendrickson, carpenter of El Dorado, is erecting a two-room bungalow near the Patata residence.

The P. T. A. will sponsor an annual party for the eighth grade pupils of our school. The date is uncertain as yet but will be sometime during the latter part of the month. The graduating class numbers twelve, eight boys and 4 girls.

## IMPROVED QUALITY SEEN IN SHEEP SHOW FOR THIS YEAR

SAN FRANCISCO — A survey of the leading ram breeding establishments of the west indicates that the quality of sheep to be exhibited at this year's combined Sheep Show and Ram Sale at Sacramento will be above that of a year ago.

This is the definite word received from S. P. Arlos, Chairman of the California Wool Growers Association's committee in charge of this year's event of western sheepmen.

## SEVERE ROAD TEST IS MADE BY PETROLEUM ENGINEERS

According to authoritative sources, one of the most comprehensive gasoline and motor-car road tests ever made has just recently been completed by Richfield Engineers.

For 65 days practically every type of automobile was tested under all driving conditions. The Imperial Valley region, which is considered the toughest test on automobiles

and gasoline in the United States, was used. Also, tests in below-freezing temperatures on mountain roads were recorded. During all of these severe tests, performance meters registered the car-pulling power and the efficiency of different gasolines.

According to G. French, Richfield sales executive, the tests were made to check their new Hi-Octane gasoline against laboratory test. "To get all-around performance in a gasoline is a laboratory duty, but to see if it works out on the road is the engineer's job," French declared.

## "GANGSTER'S BOY" TOPS NEW TWO-DAY BILL AT EMPIRE

Studded with an excellent cast and headed by Jackie Cooper, Monogram's "Gangster's Boy" opens tonight at the Empire Theatre. This is one of the most pretentious features ever turned out by Monogram, according to studio officials.

It took more than three weeks with a great amount of night work to complete the film. Before actual filming, preparations were made more than three months in advance.

The second feature on the two-day bill stars Olympe Bradna in "Say It In French." The picture marks the debut of the vivacious little Parisienne in a starring role.

I guarantee New "All-Time HI-OCTANE"  
to be the finest (NON-PREMIUM) gasoline ever sold  
in the West...OR

# DOUBLE YOUR MONEY BACK

"I've been in this gasoline business a long time and I've heard hundreds of advertising statements, but never has any company been willing to back up its claims with a double-your-money-back offer."

"Here's how we're able to do it:

"We spent millions on new features in our refineries. We had qualified engineers test ten of our

new formulas and six of our competitors' gasolines. We found among our formulas a new miracle fuel and are willing to guarantee that it is the best all-purpose gasoline ever developed in the West; best on the highway; best for city driving.

"Come into my station when your tank is nearly empty—fill up with Hi-Octane and I promise you performance you have never experienced."
